

AGRITECH DAY

By AXEMA

IN PARTNERSHIP WITH :

WITH THE SUPPORT OF :

CONFERENCE ANNOUNCEMENT & CALL FOR PAPERS

INTERNATIONAL CONFERENCE OF
TECHNOLOGIES AND SOLUTIONS FOR
EFFICIENT AND SUSTAINABLE AGRICULTURE

NOVEMBER 5TH, 2022
PARIS / FRANCE

CONFERENCE AS AN INTRODUCTION TO THE 2022 SIMA SHOW

SHARE YOUR EXPERTISE ON :

- new farming practices
- innovative equipment development

(DETAILS ON REVERSE)

THIS CONFERENCE WILL CREATE AN OPPORTUNITY FOR EXCHANGES BETWEEN :

- R&D players from industry
- Academics
- Research sectors including non-agriculture specialists.

CONFERENCE LANGUAGE WILL BE ENGLISH

PULLMAN

3 bis rue de la Haye,
93290 Roissy, France

CALL FOR PAPERS

Send your abstract before :

May 27, 2022

To : info.conference@axema.fr

(All detailed explanations on REVERSE
and on <http://agritechday.com>)

CONFERENCE THEMES AND TOPICS :

The call for papers is open to **all topics related to the innovation of machines and systems for sustainable agriculture by agricultural and non-agricultural specialists.**

- Machinery output rate, efficiency and work quality
- User friendly or automatic adjustments
- Innovations in tractors, self-propelled, machinery and engines
- Transmissions and drive lines (mechanical, hydraulic, electrical...)
- Grain harvesting and storage
- Crop husbandry (soil working, seeding, fertilising, spraying...)
- Livestock machinery and production systems
- Digital agriculture
- Robotics and autonomous machines
- Machinery management, telematics
- Data management, algorithms and software
- Advanced agronomic models
- New decision support tools (DST)
- Simulation, Calculation and Test
- Methods for design and development of machinery
- Communication and interaction of systems and machinery
- Implementation and efficiency of sensors
- Monitoring for machinery use impacts on the environment

CALL FOR PAPERS

Abstracts may be submitted before May 27, 2022 for oral presentation (20 min + 10 min discussion) or poster presentation and will be selected by the scientific and technical committee of the conference.

Selected authors for oral presentations are required to submit their full papers (maximum 10 pages including figures, tables and references) before September 15, 2022 to be part of the event speaker lineup.

STEP 1 : MAILING ABSTRACTS BEFORE MAY 27, 2022

Content of the ABSTRACT (agritechday.com) – Less than 500 words

- title of the presentation
- author(s)
- keywords
- request for an oral presentation or a poster
- how to contribute to sustainable agriculture

Please submit your abstract using [this template](#) to : info.conference@axema.fr

STEP 2 : EVALUATION AND SELECTION OF ABSTRACTS BY THE SCIENTIFIC & TECHNICAL COMMITTEE

Selection CRITERIA are :

- innovation
- interest and relevance to current or near market needs
- scientific quality and content
- interest and relevance to Agricultural Engineering
- interest for the EurAgEng Society

KEY DATES

MAY 27, 2022 : Abstract submission deadline

JULY 13, 2022 : Abstracts acceptance notification

JULY 25, 2022 : Program announcement

SEPTEMBER 15, 2022 : Full papers and posters submission deadline

OCTOBER 10, 2022 : Early bird registration deadline

OCTOBER 24, 2022 : Late registration deadline

CHAIRMAN OF THE SCIENTIFIC AND TECHNICAL COMMITTEE : Philippe COLACICCO, AXEMA Technical Committee Chairman and Kubota Corporation Director Farm Machinery Engineering Europe.

REGISTRATION FEES

(including lunch, coffee, refreshments, book of the event, pass to SIMA Show, all taxes included (20%VAT))

Participant	200€ (late registration : 260€)
Speaker	120€
Student	Free entrance

A FREE SIMA SHOW VISITOR BADGE WILL BE PROVIDED TO EACH ATTENDANT
